CLARENCEVILLE SCHOOLS PROPOSAL OPERATING MILLAGE PROPOSITION EXEMPTING PRINCIPAL RESIDENCE AND OTHER HOMESTEAD PROPERTY		
This millage will allow the school district to levy not more than the statutory rate of 18.0000 mills on all property except homestead property and other property exempt by law as required for the school district to continue to receive its full per pupil foundation allowance. Shall the limitation on the amount of taxes which may be assessed against all taxable property, except principal residence and other homestead property as defined by law, in Clarenceville School District, Counties of Oakland and Wayne, State of Michigan, be increased to 19.0000 mills (\$19.00 on each \$1,000 of taxable value) for ten (10) years, calendar years 2026 to 2035, inclusive, to provide in part the funds to operate and maintain the school system? It is estimated that the revenue the school district will collect if the millage is approved and 18.0000 mills are levied in the 2026 calendar year will be approximately \$3,244,122 from the local taxes authorized in this proposal. Revenues will be disbursed to Clarenceville School District.
