# WAYNE COUNTY DEPARTMENT OF PUBLIC SERVICES

James A. Jackson, Director (313) 224-7700 415 Clifford Detroit, Michigan 48226

#### MISSION:

The Department of Public Services maintains an infrastructure network for land, County buildings and facilities, and recreation opportunities for its residents and visitors. The Department is committed to improving each of these to maximize the quality of life for residents and enhance the economic health of the County. This is accomplished by employees who continuously monitor their service activities in comparison to nationally accepted standards developed in peer discussion with colleagues in the American Public Works Association local, regional and national discussion groups.

**TOTAL NUMBER OF POSITIONS: 828** 

### MAJOR ACTIVITIES AND DESCRIPTIONS:

**ADMINISTRATION DIVISION:** The Division of Administration is responsible for providing central control and coordination of the operations of the other five divisions of the Department of Public Services. The Administration Division provides follow-up to assure timely completion of internal processing of grants, contracts and personnel needs. The Administration Division is also responsible for technology support, including local area networks, department fiscal control and scheduled review of Department administrative and operating procedures.

**BUILDINGS DIVISION:** The Division of Buildings is responsible for efficiently maintaining, controlling and managing all Wayne County buildings so that they remain secure, occupied, attractive, environmentally safe and that all systems operate in a proper and acceptable manner.

**ENGINEERING DIVISION:** The Division of Engineering is responsible for providing engineering and technical services as necessary to support the programs and activities of the two operating divisions (Parks and Roads) and three support divisions (Administration, Buildings, and Equipment).

**EQUIPMENT DIVISION:** The Division of Equipment provides support services for the daily activities (mowing, asphalt paving, street sweeping, snow and ice control, etc.) of the various Department of Public Services divisions. This division also maintains safe and reliable automotive and heavy equipment inventory. A complete machine shop is also maintained and operated for the benefit of all county departments and divisions as requested. This Division also oversees Inventory/Personal Property Management (IPPM) Unit, which orders and stocks approximately 5,600 items such as vehicle repair parts, aggregate, paint, general hardware and office supplies for all county departments.

**PARKS DIVISION:** The Division of Parks is responsible for protecting, maintaining and programming park areas, open spaces, and recreation and leisure facilities for the purpose of enhancing the quality of life for families and citizens served by the County of Wayne.

**ROADS DIVISION:** The Division of Roads is responsible for maintenance of the road system of approximately 1,440 County primary and local roadways and 462 miles of State trunk lines and freeways. This Division will protect and extend the useful life of all of the roads under the Division's jurisdiction and to keep those roads reasonably safe for public travel.

### **ADMINISTRATION DIVISION:**

**GOAL:** Continue to improve operational effectiveness and seek efficiencies across all divisions to enhance Department performance.

#### **OBJECTIVES:**

 Lead effort to update and develop comprehensive Department Operating Procedures that comply with the standards established by the American Public Works Association (APWA); working towards getting the Department accredited by the APWA.

- Continue to restructure Neudeck Building management and operations to better serve the needs of the Neudeck building tenants.
- Reduce contract approval time and payments.

| Change Orders/Contract Modifications processed | 51                 | 38                   | 40                   |

## **BUILDINGS DIVISION:**

**GOALS:** (1) To complete this fiscal year, the remaining Capital improvement Projects that are currently in progress. (2) To replace one of the boilers used for the heating and cooling system at the Neudeck Building located at 415 Clifford. (3) To finish replacing the old and failing water and drainage lines at the Old Court Building which are currently in terrible condition and complete the rest room and vestibule area renovation.

#### **OBJECTIVES:**

- To create a safe workplace for the employees and the public.
- To make needed repairs to major mechanical equipment and building components until they can be replaced.
- To eliminate numerous costly and time-consuming repairs to the old equipment.

#### **ENGINEERING DIVISION:**

GOALS: (1) To have approved alternate Surface Transportation Program (STP) projects available for funding by unobligated regional federal funds. (2) To possess needed right-of-way for road and bridge reconstruction projects one year ahead of the projected start dates. (3) Use cost-effective, alternate pavement designs on future road construction projects. (4) Continue to improve project plan review turnaround time in order to meet or exceed the CEO's 45 to 60 day review expectations.

### **OBJECTIVES:**

- To complete design of approved alternate STP projects making them available for unobligated regional federal funds.
- To start right-of-way acquisitions three (3) years prior to a project's bid date.
- To continuously monitor permit status using new Permit Assistant permit tracking application.
- Create summary reports of individual Review Engineers at any interval necessary in order to fulfill and maintain our expectations of an efficient and accommodating Permit Office.

## **EQUIPMENT DIVISION:**

**GOALS:** (1) Increase the number of Preventative Maintenance Services(PM) to protect the integrity of the fleet. (2) Dispose of obsolete IPPM stock items. (3) Reduce stock items on hand.

#### **OBJECTIVES:**

- Aggressive scheduling approach during off peak equipment seasons.
- Monitor through J D Edwards Maintenance Module.
- Monitor inventory activity.
- Work with product end-users to meet needs.

| PERFORMANCE MEASUREMENTS:               | FY 2006<br>ACTUALS | FY 2007<br>ESTIMATED | FY 2008<br>PROJECTED |

#### PARKS DIVISION:

GOALS: (1) To install Grow-Zones within Hines Park adjacent to the Rouge River through installation of bank stabilizing vegetation, engineered solutions and vegetates swales, etc. (2) To improve boating access to the Detroit River through the improvement of boating channels. (3) Enhance the Wayne County Lightfest show. (4) Increase public awareness, enjoyment and visitation of Nankin Mills Interpretive Center, Crosswinds Marsh and the Holiday Nature Preserve.

#### **OBJECTIVES:**

- To stabilize the Rouge riparian zones and thereby reduce erosion and increase the effectiveness of the riparian buffer. As well as, to reduce mowing operation, thereby conserving fuel and releasing personnel to address other issues within parks during the mowing season.
- Dredge a channel adjacent to the outlet of the Huron River and the Brownstown boat launch (a Wayne County Parks property). The channel will allow for larger boats (20+ in length) to access the portage and boat docks.
- Decrease weather damage through electrical upgrades throughout Hines Drive and implement a 5-year replacement plan for aging Lightfest displays.
- Create better publicity for parks programs and events, via newspapers, news releases, fliers, and the expansion our e-mail mailing list for local schools, scouts and individuals.

| Contact Hours            | 9,024              | 12,450               | 16,200               |

#### ROADS DIVISION:

**GOALS:** (1) Continue improving surface condition of roadways under County jurisdiction, utilizing County forces. (2) Providing of safe road surface conditions during winter months.

#### **OBJECTIVES:**

- In accordance with County policy, conduct winter maintenance activities (salt/sand/plow) on the 462 miles
  of State trunklines and freeways, 724 miles of County primary roads and 857 miles of County local roads
  under the County's maintenance jurisdiction.
- Resurface approximately 15 miles of County local roadways in Redford Township.

| PERFORMANCE MEASUREMENT:          | FY 2006     | FY 2007     | FY 2008     |
|-----------------------------------|-------------|-------------|-------------|
|                                   | ACTUALS     | ESTIMATED   | PROJECTED   |
| Internal Paving Program (Asphalt) | 48,400 tons | 53,000 tons | 53,000 tons |
| Local Roads                       | 13.7 miles  | 15 miles    | 15 miles    |

**GOAL:** Enhance aesthetic condition of County roadsides as well as provide adequate site distance to ensure safety of roadways.

#### **OBJECTIVE:**

Mow freeway slopes 3 times (4 times in the Downtown Loop), County and State boulevards 6 times, swath
mowing (intersections only) 2 times and rest areas +/-24 times. Weed spray freeways and boulevards 1
time.

#### **ACCOMPLISHMENTS:**

- Resurfaced approximately 13.7 miles of County local roads, using approximately 48,400 tons of asphalt.
- Cleared approximately 12.3 miles (65,120 lineal feet) of right-of-way ditches.
- Conducted winter maintenance activities on the County and State road systems, utilizing approximately 98,579 tons of salt, during the 2006-2007 winter season.
- Repaired/replaced approximately 14,016 lineal feet of guardrail.
- Approximately 273 trees were trimmed, 2,797 trees were removed, approximately 40 trees were planted, responded to approximately 1,085 service requests and issued 47 tree planting/removal/trimming permits.
- 52 traffic signal intersections were modernized; 8 new traffic signals were installed; 1 traffic signal was removed.
- Approximately 2,600 new traffic signs were installed on County and State roadways.

- Over 27,494 lineal feet of plastic pavement markings were placed on County roadways.
- Approximately 82,000 potholes were filled in 2006, utilizing 2,670 tons of cold patch material.

## DID YOU KNOW?

Wayne County has jurisdiction of 728 miles of primary roads and 855 miles of local roads.

In 2007, the Testing Office performed material sampling tests on 160,000 tons of asphalt and 276,000 tons of aggregate.

The Grosse Ile "free" bridge used to be a railroad bridge.

The 50 employees of the Equipment Repair Unit average over 6,500 repairs a year to maintain over 3000 pieces of equipment in the County Fleet.
