Join Savi for a Live Student Loan Session in September

As a Wayne County employee, you have free access to **Savi**, a student loan benefit covered by the county that helps you navigate your options, lower your monthly payment, and work towards loan forgiveness!

Federal student loan rules shifted this summer, and the right repayment strategy looks different for every borrower. To equip you with clarity amid a changing landscape, Savi is hosting three live webinars for Wayne County employees. Click the date and time that works best for you to register:

- [Tuesday, September 15 at 2:00 PM ET](#)
- [Wednesday, September 16 at 12:00 PM ET](#)
- [Thursday, September 17 at 12:00 PM ET](#)

What Savi's experts will cover:

- The latest policy changes reshaping federal repayment, forgiveness, and relief programs that employees are largely eligible for, including Public Service Loan Forgiveness (PSLF)

- What these changes mean for your loans and what to do next to protect your benefit
- How Savi's tools and one-on-one support get you there, from confirming your eligibility to filing your PSLF paperwork

These sessions are interactive, so bring your questions for Savi's experts to answer live! Can't make it? Register for any session above and you will receive a recording of the webinar directly to your inbox.
