Paid Supplement to the Detroit Legal News — December 6, 13 and 20, 2016

DO NOT LOSE YOUR PROPERTY DUE TO UNPAID TAXES!

www.treasurer.waynecounty.com

The Office of the Wayne County Treasurer has filed a Petition for Foreclosure in the Wayne County Circuit Court in accordance with Public Act 123 of 1999. The Petition requests the properties forfeited to the Wayne County Treasurer on March 1, 2016 and/or on March 1 of a prior year(s), for failure to pay 2014 and any prior forfeited taxes, interest, penalties, and fees, will be foreclosed in favor of the Wayne County Treasurer.

PUBLICATION. Public Act 123 requires publication of a list, set forth below, of the forfeited properties which remain unpaid, together with the name of all persons appearing to have title, lien or other apparent rights to the property subject to foreclosure by the Wayne County Treasurer.

THIS NOTICE IS REQUIRED BY LAW. This notice has been sent to persons of record that may hold an un-discharged, apparent, or potential title or lien right to the property, even if the person no longer claims an interest in the property. **This notice does NOT necessarily mean that you are the owner of a property or that you are the person responsible for the property taxes.**

The street address for the property listed is based on the local records. The names have been obtained from the records of the local treasurers, assessors, the Office of the Wayne County Register of Deeds, and the Office of the Wayne County Treasurer.

THIS LIST IS NOT AN OFFERING OF PROPERTY FOR SALE. The listed property is NOT being sold, auctioned, or otherwise made available by virtue of this notice. There is no procedure for purchasing the property from the Wayne County Treasurer at this point in the foreclosure proceeding. Property that is foreclosed and not redeemed may become available at public auction in September and October of 2017. **The property remains the property of the current owner** until redemption rights have expired. **No person should make any attempt to inspect or enter any property listed assuming it to be for sale**. This may constitute trespassing and subject the offender to criminal prosecution.

NOTICE OF SHOW CAUSE HEARING. Any person with an interest in the property may appear in person or through an agent to show cause why title to the forfeited property should not vest absolutely in the Wayne County Treasurer. Because of the number of parcels served this year we have gone to a 8 day schedule with sessions at 8:30 and 12:30. On the following dates: January 10, 11, 12, 17, 18, 19, 24, and 25. at the International Banquet and Conference Center, 400 Monroe Street, 8th Floor, Detroit MI, 48226.

NOTICE OF JUDICIAL FORECLOSURE HEARING. A Judicial Foreclosure Hearing will be held before Chief Judge Robert J. Colombo Jr. in the Wayne County Circuit Court, 701 Coleman A. Young Municipal Center, 2 Woodward Ave., Detroit, Michigan 48226.

The schedule is as follows:
City of Detroit wards 1 thru 21 Feb. 15, 2017.
All others Feb. 16, 2017.

A person claiming an interest in a property who desires to contest the Petition, shall file written objections by February 2, 2017 with Judge Colombo Jr.'s Court Clerk, and provide the Wayne County Treasurer with a copy of the written objection either by regular mail or by hand delivery c/o Wayne County Corporation Counsel/Objections, 400 Monroe St., Suite 660 Detroit, Michigan 48226. The written objection must be filed and received by Corporation Counsel by February 2, 2017. If no objection is filed, the Court may enter a Judgment of Foreclosure as to the property. A person with an interest in the property on the enclosed Notice of Property Tax Delinquency may lose his or her interest in the property as a result of the foreclosure proceeding.

Unless all 2014 and prior taxes, interest, penalties, and fees are paid on or before the March 31 immediately succeeding the entry of a Judgment of Foreclosure, or in a contested case within twenty-one (21) days of the entry of a Judgment of Foreclosure, the title to the property shall vest absolutely in the Wayne County Treasurer.

PUBLICATION DEADLINE. The following properties have delinquent taxes for the 2014 and/or prior tax years. The current amount required to redeem may be obtained from the Wayne County Treasurer website at: **www.treasurer.wayne county.com** To meet the publishing deadline, this list of property was created during the week of November 14, 2016. If a property appears on the list and the forfeited taxes have been paid in full between the first week of November and the date of this publication, confirmation that there are no outstanding forfeited taxes can be obtained by visiting **www.treasurer.waynecounty.com** and accessing the "pay-on-line" function or by calling the **Wayne County Treasurer's office at (313) 224-5990.**

HOW TO SAVE YOUR PROPERTY FROM TAX FORECLOSURE
ERIC R. SABREE - Wayne County Treasurer

Dear Fellow Taxpayer,

You are receiving a notice that this property is being foreclosed due to unpaid property taxes. Please understand it is my duty as Wayne County Treasurer to collect delinquent taxes. If you are participating in a payment plan with my Office, please continue to make the monthly payments, or catch up on any missed payments, so as to avoid foreclosure.

If taxes are not paid, I am required by law to foreclose on the property and then to sell the property at a public auction.

It is important that you contact my office as soon as possible, to avoid property tax foreclosure. Please do not wait until the January show cause hearings.

To assist you in avoiding foreclosure, I offer several types of programs. The first is a program that would use federal funds to help pay your taxes if you own and occupy your home as your residence. The second is the Distressed Owner Occupant Extension to give you an additional year to pay the delinquent taxes. Finally, if neither of those programs applies to you, we offer the Stipulated Payment Agreement to put you in a payment plan allowing you to make monthly payments to avoid foreclosure. Arrangements for these plans should be made by March 15, 2017.

Step Forward Michigan
If you own and occupy your home you might qualify for a program to have the federal government pay the delinquent taxes on your home. They can also provide funds to bring a delinquent mortgage up to date.

To qualify, you must have suffered an involuntary financial hardship that caused you to miss payments. This could be loss of income, a serious illness in the family, or other financial difficulty. You must own the home; this means your name appears on the deed that is recorded with the Register of Deeds. You must live in the home and you must have income to pay the taxes going forward.

If you qualify, the government may provide an interest free loan of up to $30,000 that is forgiven if you continue to live in the home for five years. To apply for this program visit: StepForwardMichigan.org or call (866) 946-7432.

Distressed Owner Occupant Extension (DOOE)
Residents who own their home and live in the home as their primary residence may choose the Distressed Owner Occupant Extension (DOOE) plan that allows the taxpayer additional time to make payments. Please understand that interest will continue to be added at a rate of 1.5% each month (18% per year), so any payments made will reduce the amount subject to interest. If you qualify for this program you are advised to make payments monthly to reduce the amount you owe as you will be required to have the taxes for 2014 paid in full by December 15, 2017. Applications received after March 15, 2017, will require an initial down payment.

To qualify for the DOOE you must bring copies of these documents to our office:

- Have the 2013 and prior years' taxes paid in full;
- Prove you own the home by producing a copy of a recorded deed or land contract with your name on the document;
- Prove you live there by producing a copy of a utility bill that was received in the last 90 days, with your name, and mailed to the address of the parcel you are applying for.
- Prove your identity by producing a copy of a valid driver's license or State ID with your picture and the address of the parcel you are applying for.
- Prove you are financially distressed by filling out an affidavit indicating your income and expenses. This form is available at our office.

If the application is acknowledged and approved in writing by this office, you will have until December 15, 2017, to pay the 2014 taxes. It is recommended that you make partial payments each month. A DOOE is not valid until approved in writing by a member of this office. DOOEs should be filed by March 15, 2017. DOOEs will be available November 3, 2016.

Stipulated Payment Agreement (SPA)
This program is available for residential or commercial property and you do not need to live in the property, but you must agree to waive any objection to foreclosure. For a SPA, we will add ALL Taxes, Fees, and Interest due for the 2014 and any prior years' taxes, and divide that number into monthly payments to be made the first week of each month. If you pay the monthly payments when due, and start paying your 2015 taxes, you will avoid foreclosure.

If you enter into a SPA by January 18, 2017, you will only need to make a 10% down payment. If filed by February 15th, you will open with a 20% payment, and if by March 15th, with a 30% payment. A SPA is not valid until signed by a member of this office. SPAs should be filed by March 15, 2017. SPAs will be available November 3, 2016.

Please take advantage of one of these programs to avoid foreclosure and auction. We have developed the DOOE and SPA programs to assist you in avoiding foreclosure by giving you time to pay the delinquent taxes. Please come to our office to address your delinquent and forfeited taxes, and discuss the programs with our staff as soon as possible. Any delay will only cause additional costs. We are conducting hearings in January, 2017, and February, 2017, but if you enroll in one of the programs now you do not have to attend those hearings.

Please understand that if you participated in a payment plan previously, all payments must be made on that program before you are able to participate this year.

Are Your Property Taxes Too High
There are many who feel the taxes on their home are too high. Please understand that my office does not set taxes and we are not authorized to change the taxes in any way. Once those taxes are turned over to us by your local municipality as delinquent, we must collect the delinquencies. Taxes are tied to the city/township assessment of your property, and our office cannot alter the assessed value; this must be done at your local assessor's office. When you see what the city or township lists as the value of your property, you have a right to appeal and ask that the assessment be changed:

- When you receive notice of the assessment of your property there will be an explanation of the process to appeal that assessment. In Detroit, this involves Appealing to the Assessors Board of Review in the first two weeks of February. For all other cities and townships, you can appeal the assessment to the local Board of Review by the date noted on your assessment notice.
- If you are not satisfied with the ruling you receive, you can appeal to the Michigan Tax Tribunal: (517-373-3003). This process can lower the current taxes on your property but will do nothing to change the delinquent taxes already assessed and due.

Please check with your local municipal office for a variety of programs that can reduce the amount of your property taxes, such as:

- Principal Residence Exemption (PRE): If you live in your home as your primary residence, you may file an application at your local assessor's office to reduce the amount of taxes assessed on your property.
- Homeowner Property Tax Assistance Program (Poverty Exemption): many municipalities offer full or partial exemptions for the current year's taxes for owner occupants who meet the guidelines.
- Senior Property Tax Deferred Payment Program: tax payments may be deferred for senior citizens with limited incomes.
- Disabled Veterans Exemption: honorably discharged veterans with disabilities may qualify for exemptions.

To Protest a Property Tax Assessment: Current year's property taxes can be challenged by filing a protest with your local assessor's office during the first two weeks of February. Please check for the actual dates with your local municipality as you only have a short period of time.

Please understand that our office cannot waive taxes, interest, or fees for any taxpayer for any reason.

Tax Payment Options
Payment of the 2014 and prior years' taxes, penalties, fees and interest must be made with a Cashier's Check, Money Order or cash. Payments can be made:

- At the new payment kiosks located across Metro Detroit (locations listed at www.WCTkiosk.com);
- In person, on the 5th floor of 400 Monroe, Detroit;
- On line with a credit or debit card, (at our website: www.treasurer.waynecounty.com);
- By phone, at (313) 224-5990, and press option #1;
- At the Drop Box, on the 1st floor of 400 Monroe, Detroit;

Finally, please understand that, under normal circumstances, our office does not evict people. However, if the property is foreclosed and sold at auction the new owner is likely to evict. You are not required to leave the property until a judge enters a court order that you must leave the property. We look forward to helping you avoid property tax foreclosure and stay in your home.

Sincerely,

ERIC R. SABREE
WAYNE COUNTY TREASURER
